

CERTIFICATE

**TOGETHER
FOR BETTER**

UAB “Smart Aluminium Constructions” is authorized manufacturer and designer of aluminium constructions from Reynaers aluminium systems:

- window systems (MasterLine, SlimLine, CS series),
- door systems (MasterLine, CS, SL),
- sliding systems (ConceptPatio, MasterPatio, Hi-Finity),
- façade and curtain wall systems (CW),
- as well as additional solutions for roof structures, winter gardens, and glazed façade constructions.

The equipment, software and tooling used in production meet Reynaers standards.
